## RÅD FOR BOKPRATERE

- Les boka du skal bokprate om.
- Har du ikke noe positivt å si om boka? La den være...
- Vær ærlig uten å ”drepe” boka

Best Match

## American Psycho by Bret Easton Ellis

borrow

### Reader comment

A disturbing satire of yuppie life which combines both explicit violence and sex with gruesome results. But are Patrick Bateman's actions real or perverse fantasy? And in the end does it matter - the assault on the reader's senses is equally powerful, regardless of the truth.
